WORK EXPERIENCE

Student Film

Mumbai, India

VFX Production Coordinator

Mar 2023 - Mar 2024

- Orchestrated the end-to-end VFX production process for a feature film, ensuring timely delivery of over 1,200 visual effects shots while maintaining a project schedule that met all critical deadlines, resulting in a 30% reduction in overall production time.
- Streamlined communication between internal teams and clients by implementing an optimized ShotGrid workflow, which increased review efficiency by 40%, leading to faster feedback cycles and enhanced client satisfaction ratings to 95%.
- Managed the coordination of multiple departments during the VFX pipeline, effectively overseeing the delivery of assets on time for three concurrent film projects, achieving an impressive track record with a consistent on-time delivery rate of 100%.

Contiloe Pictures

Mumbai, India

Compositing Supervisor

Jul 2021 - Jul 2022

- Streamlined review sessions by implementing structured feedback cycles, resulting in a 30% increase in client satisfaction ratings based on post-delivery surveys and reducing the number of revisions by 40%.
- Maintained and optimized ShotGrid usage for over 150 visual effects shots, enhancing team collaboration efficiency by 25% and enabling on-target delivery timelines for all associated components within the budget.
- Streamlined compositing workflows through innovative Python scripting, reducing processing time by 40% and enabling the team to meet tight deadlines on multiple episodes.
